

SR52 / Morrison Moore Parkway Subarea Study Questionnaire

You can participate in this study by responding to the questions below. Please forward the completed questionnaire to Morris.Dillard@jacobs.com. Thanks for getting involved!

1. During a regular work week, how many times do you use Morrison Moore Parkway? _____
2. When you use the Parkway, what is your origin and destination?

3. Other than Morrison Moore Parkway, how would you make this trip?

4. In your opinion, what are the top three most critical transportation problems in the City of Dahlonega?

5. Identify the intersections that are most in need of improvements. _____

6. Traffic calming is a term that describes physical changes in a street or road that encourages motorists to slow down (e.g., landscaped medians, speed bumps, roundabouts, etc.). Keeping in mind that some features may not be compatible with some types of roads, identify the areas you feel are in need of traffic calming measures. _____

7. Would you like to travel to Downtown Dahlonega by foot or bicycle? _____
If so, what keeps you from doing so? _____

8. Identify specific safety issues that you think need to be addressed in the City. _____

Would you like to be added to the Project email list? If yes, please provide your email address.
